

New Website

Well afte three years we thought it was time for a change!

We have just about completed the revamping of our website. It should now be faster and will start to include more and more new features allowing film makers to keep in touch.

To keep up with the latest news at the WWFF you can subscribe to the RSS feeds from the home page.

In the next few months we will be adding lots of new features so be sure to keep an eye out at www.wetwestfilmfest.com for all the latest goings on!
